& SUPPLIES LTD.

55 YEARS OF EXCELLENCE

A growing, family-owned and operated business for more than 55 years, Imperial Soap and Supplies Ltd. continues to be an industry leader in the distribution and manufacturing of industrial cleaning and sanitation products throughout Manitoba, Nunavut, and North West Ontario. We remain as committed as ever to providing our customers unparalleled service and the highest quality products at competitive prices. We believe in seeking out and forming long-term partnerships with our valued customers and suppliers.

1963

In 1963, Ernest Tessler and Leonard Paul forged a new business relationship that would flourish for many years until Leonard's untimely passing in 1991. They first worked together after purchasing the original Imperial Soap and Supplies Ltd., a janitorial supply store located on Provencher Boulevard in Winnipeg. During the day, the two men were actively selling a wide assortment of cleaning products to build a strong customer base and at night, they would often

work late into the evening blending and packaging the finished products for the next day's delivery. Hard work soon paid off and while sales continued to grow, the two men moved the business to a new location in 1968.

1968

Imperial Soap and Supplies Ltd. located at 244 Jarvis Avenue quickly became a fixture in Winnipeg's north end and assumed a leading role within the janitorial supply community. At this time of expansion, a number of loyal and hard-working staff members were brought on board to assist in the company's growth, many of whom continue to work at Imperial Soap today. During these productive years, Imperial Soap and Supplies Ltd. cultivated its growing

list of both clients and suppliers. Many business decisions were settled with only a handshake as their reputation as hard-working and honest businessmen grew in the community.

1996

In 1991, Leonard's sudden passing left Ernie with difficult decisions regarding the future of Imperial Soap and Supplies. In 1993, Ernie chose to continue the family-run business by bringing his youngest son Michael into the company. Ernie's son-in-law, Joel joined Imperial Soap in 1996 and together they forged ahead into the new millennium. It was during this time that the decision was made to move to a larger more modern facility.

2004

On October 1st, 2003, Imperial Soap and Supplies Ltd. proudly moved to its present location at 1518 Inkster Boulevard. The sudden loss of Ernest Tessler in November, 2004, shook the foundation on which the company was built and left us all deeply saddened. We learned many lessons from Leonard and Ernie over their 40+ year history, but perhaps the most important, was their commitment and passion to treat all customers with the same loyalty, respect and

integrity, regardless of size. All of us at Imperial Soap and Supplies Ltd. will cherish their leadership and will honour their legacy by continuing to service our customers with the same passion and commitment.

This is a truly exciting time for our company. For close to six decades, Imperial Soap has been an industry leader in the distribution and manufacturing of industrial cleaning and sanitation products. It is a legacy that reflects the values of our founders Ernest Tessler and Leonard Paul, who established Imperial Soap Ltd. in 1963.

Today, our family-run company continues to provide you, our valued customer, with unparalleled service. As we continue to move forward, our dedication to our customers and partners remains steadfast. Part of our commitment is to provide you with the highest quality products at competitive prices which you will find in every section of this catalogue.

At Imperial Soap and Supplies Ltd., our focus is, was, and always will be, serving you with our signature loyalty, respect and integrity.

Step Down Low Odor Floor Stripper

Step Down Low Odor Floor Stripper is an effective floor finish remover designed to quickly penetrate and eliminate heavy finish build-up. The low odor formulation is ideal for use in facilities with confined areas and where strong finish remover odors are problematic. Unlike most traditional floor finish removers, Step Down produces little to no foam for easy pick up and less rinse time.

#SC006504 4 L 4/cs
#SC006505 20 L

Square One H.D. Floor Stripper

Square One is an extremely powerful stripping compound formulated exclusively to remove long term build-ups of floor finish and wax. The dual-solvent system quickly penetrates and re-emulsifies even the most highly burnished solids. Square One's high performance, low foaming wetting agents reduce the time and cost normally required when the stripping task is particularly difficult.

#SC007804C 4 L 4/cs
#SC007805C 20 L

Resistol Stripper

Super concentrated, fast acting stripper, floor finish remover. Labour saving, quick strip, easy to rinse. Removes heavy wax build-up. Pleasant lemon fragrance. CFIA accepted.

#SBSTRI-GW4 4 L 4/cs
#SBSTRI-PW1 20 L

Scorpion Low Odour Stripper

SCORPION is a powerful and fast acting very low odour floor stripper, containing a blend of water soluble agents that quickly penetrates and dissolves waxes and floor finishes (including all new generation water based acrylic and urethane sealers). SCORPION works best in cold water while its excellent stripping and low odour characteristics guarantees optimum performance.

#2126278 4 L 4/cs
#2126334 20 L

Zip Strip High Powered Stripper

ZIP-STRIP is one of the most versatile strippers available today. It's formulation with a mild organic base allows for an efficient dissolution of all floor finish types in a low odour solution. ZIP-STRIP'S ammonia and 2-butoxy ethanol free formula makes it the ideal product to be used in large surface areas or in high traffic areas such as schools, commercial centres, hospitals, etc.

#2125278 4 L 4/cs
#1804278 20 L

Green Solution Stripper

Green Solutions Floor Finish Remover is a low-odor, low-VOC (volatile organic compounds) remover specifically formulated to strip Green Solutions Floor Seal & Finish. Use in facilities and confined areas with confidence. Green Solutions Floor Finish Remover is fast acting and pleasant to use. An ideal choice for healthcare facilities, retail establishments, schools, administrative type offices and public buildings.

#1045-6 20 L

3M Troubleshooter

Cleaner for removing soil and wax build up. Use on baseboards, floor edges, corners, ceramic wall tiles and other hard to get areas.

#1045-12 652 GR 12/cs

FLOOR CARE | CONDITIONER / NEUTRALIZERS

Shineline Floor Prep

Specially formulated to eliminate alkaline residue remaining on floors after stripping or restorative cleaning. Shineline Floor Prep leaves floors conditioned, film free and ready for application of seal and finish. Floors prepped with Shineline Floor Prep allow deep penetration of seal and better bonding resulting in an extended life of the finish.

#SC302904C 4 L 4/cs

Neutralizer/Conditioner Packets

Neutralizer/Conditioner is a rinse-water additive used to neutralize and remove alkaline residue after floor cleaning or stripping. Sold in a case of 72 pre-measured packets, it will eliminate alkalinity problems wherever they exist. There are multiple uses for this product: it rinses out alkaline buildup and odor from mop heads; removes shampoo residue and urine odours from carpet; neutralizes urine odour in restrooms; and counteracts residue caused by some ice melters.

1 oz Packets.

#1060 72/cs

Safeblend Neutralizer

Concentrated neutralizer, calcium and salt remover. Dissolves salt and calcium stains on floors and carpets. Excellent for neutralizing cleaners and strippers before applying floor finish. Mild, pleasant floral fragrance. CFIA accepted. EcoLogo certified.

#TCFL-GW4 4 L 4/cs

**TF700 Instant Traction Floor Conditioner**

TF700 provides a one-step slip resistance enhancing treatment and cleaner in the same product. It can be used on all types of flooring, including vinyl tile, sheet flooring, terrazzo, marble, quarry tile, blue stone, Mexican tile, ceramic tile, concrete, granite and sealed wood.

At a higher recommended concentration, a single application creates a micro-profile on any type of flooring, significantly increasing slip resistance characteristics. TF700 can be applied with either a mop or automatic scrubber and will not cause a build-up with routine use. Field use has produced an average increase in slip resistance of 0.1 SCOF (Static Coefficient of Friction) per application.

#2412277001 3.78 L 4/cs

FLOOR CARE | SEALERS

Shineline Seal

Shineline Seal is a thermoplastic seal specifically designed for use with Upper Limits and High Frontier Floor Finishes. Just two coats of Shineline Seal are needed to condition, seal, and protect a floor. A high gloss, wet look appearance is accomplished by building gloss from the first coat of seal to the last coat of finish.

#SC400404 4 L 4/cs
#SC400405 20 L

Terra Glaze

Terra Glaze is an acrylic polymer seal developed exclusively for use on terrazzo. A 25% solids metal interlock formulation, Terra Glaze conditions, seals, and protects the natural beauty of terrazzo. Once applied, Terra Glaze becomes a hard, tough seal that combats terrazzo's inherent susceptibility to damage and deterioration due to abrasion, scratching, scuffing, and wear.

#SC581004 4 L 4/cs
#SC581005 20 L

Resistol Floor Sealer

Specially formulated as an excellent base for a variety of floor surfaces including linoleum and terrazzo. It is water, powdering and slip resistant. Resistol Sealer adds extra gloss to subsequent coats of floor finishes. Contains no zinc or heavy metals.

#SBR519-GW4 4 L 4/cs
#SBR519-PW1 20 L

EP86 Lokseal Floor Sealer

EP86 LOKSEAL Floor Sealer is designed with the newest in environmentally preferable polymer technology. EP86 LOKSEAL is compatible with all Avmor floor finishes. It is highly recommended for sealing pores and leveling floor surfaces in preparation of floor finish application. Excellent for vinyl composition, linoleum, sheet vinyl, concrete, terrazzo, quarry, Mexican tile and most resilient type flooring.

#2321278 4 L 4/cs
#2321334 20 L

Distance Sealer Finish

Distance Sealer Finish is our premium thermacrylic sealer finish, specifically formulated for high traffic areas that require exceptional durability and gloss. Distance can accommodate both low and high maintenance schedules and responds exceptionally well to dry burnishing.

#W375-1 4 L 4/cs
#W375-5 20 L

The Fixx Sealer Finish

The Fixx is a premium 25% high solids floor finish that contains patented optically enhanced polymer technology to create depth of gloss and remarkable clarity. The Fixx creates a clear, bright, non-yellowing gloss on floors. The formula provides initial deep gloss that will actually increase over time in response to burnishing. The end result is a durable, burnishable finish with high shine and long life.

#SC404605C 20 L

FLOOR CARE | FINISHES

iShine High Solids Floor Finish

iShine is a 25% high solids floor finish that employs patented optically enhanced polymer technology to amplify the overall gloss appearance and clarity of floors. The unique blend possesses cutting edge raw materials to form a high solids finish that provides total protection. iShine is a durable finish that has excellent scuffmark, water spot, black heel mark and is formulated to provide maximum protection.

#SC405504 4 L 4/cs
#SC405505 20 L

White Sun Hi-Gloss Floor Finish

White Sun diminishes the look of imperfections upon application, making flooring surfaces appear less blemished; creating a better than ever appearance. Gloss and clarity come into focus automatically enhancing the overall look of your floors while intensifying the depth with crystal clear transparency. White Sun has passed the Underwriters Laboratories testing for slip resistance!

#SC405004 4 L 4/cs
#SC405005 20 L

W-75 Floor Finish

W-75 is formulated to work with any maintenance method and equipment on all types of floors. It offers good gloss characteristics along with durability making it the number one choice of school boards and institutions where spray-buffing maintenance schedules and budgets are restricted. W-75 offers fast drying properties so down time is at a minimal and it responds well to burnishing.

#W75-1 4 L 4/cs
#W75-5 20 L

Premiere Superior Floor Finish

This floor finish offers high gloss, superior durability, excellent detergent resistance and is well suited for low, periodic and high maintenance schedules. It also has superior scuff, black heel mark and overall wear resistance.

#2086278001 4 L 4/cs
#2086334001 20 L

Pro-Shine

Pro-Shine is a high gloss acrylic emulsion modified with urethane and designed for use with high-speed equipment. Extremely durable and movable, Pro-Shine's quick response to the thermal heat generated by high-speed equipment substantially reduces the time required for removing black heel marks, scratches, and scuffs from heavily trafficked areas.

#SC408205C 20 L

Floor Front™

A high-gloss, low-maintenance floor finish that is also environmentally responsible. Your high-traffic floors demand a superior floor finish, but budgets are lean. Enjoy measurable labor savings with Floor Front. It requires half the burnishing, recoating, and stripping necessary with other zinc-free finishes.

#SC404705 20 L

On an' On

Non-buff metal interlock floor finish requires fewer coats, reducing labor. A high solids, non-buff, metal interlock floor finish, On an' On combines deep glossy beauty with tough wearability to reduce overall labor costs. Unlike some high-solids floor finishes, On an' On levels smoothly, and is applied with ease.

#SC407304 4 L 4/cs
#SC407305C 20 L

Damp Mop

No-rinse floor cleaner concentrate reduces time and labor cost of daily maintenance of high gloss, metal-interlock floor finishes. Quickly and effortlessly removes dirt and other surface soils in heavily trafficked areas. Quick drying, Damp Mop leaves no residue or haze to dull floor finish. With a pleasant lemon fragrance, Damp Mop is also biodegradable and phosphate-free.

#SC301604C 4 L 4/cs
#SC301605C 20 L

Safeblend Neutral Cleaner

Concentrated neutral pH cleans and deodorizes all floors without harming floor finish. Leaves no film or residue, rinse free. Safe to use on all washable surfaces. CFIA accepted. EcoLogo certified.

#SBNTC0-G04 Tangerine 4 L 4/cs
#SBNCXX-G04 No Dye No Scent 4 L 4/cs

Stride® Citrus Neutral Cleaner

A neutral cleaner concentrate formulated for everyday cleaning of floors and other hard surfaces. This product does not dull floor finishes, and does not require rinsing to deliver labor savings. Non-alkaline formulation dries film-free. Recommended dilution: 1:256. Certifications: Green Seal, Green Guard certified.

#3906 4 L 4/cs

Rotex Neutral Cleaner

Rotex is a one-step, neutral cleaner designed to quickly remove embedded soils without any residue, leaving the floor sparkling clean. Rotex requires no rinsing, and leaves a peach fragrance. Ideal for use with auto-scrubbers. Rotex contains no NPE's.

#2001278 4 L 4/cs

Easy Paks Neutral Cleaner

Loosens and removes soil while protecting high-gloss finishes. Leaves no dulling film, even without rinsing. For surfaces ranging from terrazzo, marble, slate and vinyl to asphalt, ceramic and quarry tiles. 1/2-oz. pre-measured packet dissolves in water.

#90653 2 oz 90/cs

Mr. Clean Finished Floor Cleaner

Excellent cleaning and shine preservation for a wide range of shiny finished floors including ceramic and vinyl tile, terrazzo, and varnished hardwood. Can be used as a versatile all-purpose cleaner for walls, tables, countertops, restrooms, and a wide variety of other surfaces. Contains ingredients to cause the rapid collapse of its suds, making it an excellent choice for use in automatic floor scrubbing machines.

#02621 3.78 L 4/cs

N/C No Charge® Static Dissipative Floor Cleaner

This is formulated for use on floors where static dissipative activity is needed. Designed to be used with N/C No Charge® Floor Finish, this cleaner maintains the static dissipative qualities with each cleaning.

#SC401404C 4 L 4/cs

Meterpak 110 Neutral Cleaner Paks

Neutral formula loosens and removes soil found in high-traffic areas, while protecting high-gloss finishes. Our rinse-free formula contains no phosphates and leaves no dulling film. The pre-measured packs of cleaning solution take the guesswork out of mixing chemicals. Just drop a pouch in the bucket with the appropriate amount of water and go. Ideal for all types of floor surfaces ranging from terrazzo, marble, slate, vinyl any vinyl asbestos, asphalt, ceramic and quarry tile.

#METER110 90 per tub 4/cs

DRUM

SF326 Floor finish for Rubber Sports Flooring

This is a water-based urethane/acrylic polymer formulation for sport and raised rubber flooring surfaces. SF326 offers exceptional adhesion and durability while maintaining a high degree of flexibility required to conform to the variable surface conditions of sport flooring materials. This flexibility helps avoid the problems of fracturing and cracking associated with some types of finishes used on these synthetic floors. Note: We do not recommend using SF326 on Robbins Durathon or similarly porous floors.

Trak-5 Traffic Spotter

TRAK-5 is the ultimate, all-purpose spotting agent. It is extremely effective on heavily soiled rugs and carpets in high traffic and other hard to clean areas. TRAK-5 loosens and breaks up stains including oil, tar, lipstick, shoe polish, grease, paint, tracked-in soil, and foods. Ideal for use on upholstery.

#P107-1 4 L 4/cs

Bonnet & Traffic Lane Carpet Cleaner

Specially formulated to be used in conjunction with the bonnet buffing, spin yarn, or soil transfer method carpet cleaning. Most effectively used against light to medium soil conditions and is excellent for high traffic areas. Dry and wet solvents blended with soil emulsifying wetting agents provide quick penetration and transfer of soil from carpeting to the bonnet.

#SC308504 4 L 4/cs

SSE Carpet Prespray & Spotter

Ready-to-use, unique blend of solvents and crystallizing detergents provide optimum carpet maintenance at minimal cost. Use in conjunction with Spartan's Spray and Extraction carpet cleaning technique; for pretreating traffic lanes prior to shampooing or extracting; for bonnet cleaning; as a pre-oil break or general purpose spotter. Pleasant citrus fragrance.

#SC303503C 946 ml

CARPET CARE | SHAMPOO

20/20 Concentrated Carpet Cleaner

20/20 is a special blend of carpet cleaning chemicals. This rich concentrate contains detergents, cleaning agents, and extremely effective odour counteractants. Use 20/20 with hot water extractors to safely clean all types of carpet fibres.

#P106-1 4 L 4/cs
#P106-5 20 L

CX3 Bio-Assist Carpet Cleaner

A heavy-duty soil extraction carpet cleaner with Consume's digestive power, CX3 has organic digesters stay behind for residual odour control and waste removal. It is low foaming, non-corrosive, phosphate free, biodegradable and non-flammable. Ideal for nursing homes, day cares, schools, restaurants, casinos, food handling areas and pet facilities.

#SC311004 4 L 4/cs

Xtraction II Carpet Cleaner

Xtraction II is a fast acting, heavy-duty carpet cleaner for use with hot or cold water extractors. Featuring a power boosting dual surfactant system, the low foaming solution leaves no residue to contribute to resoiling. Does not create unnecessary suds which may clog equipment or inhibit the efficiency of vacuum pick up.

#SC309604 4 L 4/cs

Plus 5 Carpet Shampoo

Formulated with high foaming, synthetic wetting and drying agents, inorganic builders, buffers, and solvents. Plus 5 is designed for extremely heavy duty shampooing tasks. Use in foam or rotary machines. Fast acting detergent complex penetrates and emulsifies grease, oil and ordinary soil. Anti-static.

#SC300504 4 L 4/cs

CAPTIV800 Encapsulation Cleaner

A highly effective, deep cleaning formulation that removes stubborn dirt, oily soil, and tough stains. Dries quickly after application leaving no sticky residue that can accelerate re-soiling. CAPTIV800 is based on a special encapsulation/anti-soiling technology that continues to work after the surface dries to protect and to improve soil removal with the next vacuuming/mopping operation.

#2404277001 3.78 L 4/cs

Resolve Carpet Foam Cleaner

Clean & fresh. Improved! Now removes 100% more dirt. Works with Easy Clean Pro system. Large area carpet cleaner. Areas that are most frequently used get dirtier - and more quickly! Stairs, landings, area rugs, and more. Resolve High Traffic foam - safely cleans & deodorizes; protects against dirt; helps prevent future soils.

#RC41015-1 623 ml

Bonnet & Traffic Lane Carpet Cleaner

Specially formulated to be used in conjunction with the bonnet buffing, spin yarn, or soil transfer method carpet cleaning. Most effectively used against light to medium soil conditions and is excellent for high traffic areas. Dry and wet solvents blended with soil emulsifying wetting agents provide quick penetration and transfer of soil from carpeting to the bonnet.

#SC308504 4 L 4/cs

Contempo® V Low Foaming Shampoo

Low foaming extraction cleaner concentrate formulated for new stain resistant carpet and other extraction tasks. Low foaming, anionic detergents are the foundation of Contempo V. These anionic detergents increase the negative electrostatic field between soil and stain resistant carpet fibers, resulting in quick, effective removal of soil. Dries to a crystal for quick vacuuming.

#SC309204 4 L 4/cs

CARPET CARE | DEODORIZERS

Consume

Multi-functional at its best! Consume is a cleaner, odor eliminator, stain remover, and drain maintainer. It naturally removes difficult organic soils from many surfaces including tile, concrete, steel, and carpet. Regular use of Consume eliminates organic build-up in drains, keeping them clear and odor-free. Ideal for cleaning and odor control in many areas, such as carpets, drains, dumpsters, and more!

#SC309704 4 L 4/cs

Airlift Fresh Scent Concentrate

Featuring a classic powdery and comforting scent that elicits freshness and warmth, Airlift Fresh Scent is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#SC302204C 4 L 4/cs

Airlift Smoke and Odor Eliminator

Powerful earthy scent with hints of leather and pine, Airlift Smoke & Odor Eliminator is a water-soluble air freshener formulated to eliminate unpleasant odors. While regularly scheduled cleaning and disinfecting procedures eliminate the soils and bacteria which cause most odors; people, pets, food, and accidents cause malodors which permeate surfaces, making the air unpleasant.

#SC308603C 946 ml

Safeblend Odour Counteractant Concentrate

Safeblend Concentrated Odour Counteractant quickly and effectively eliminates odours at the source. It neutralizes malodors in the air and fabrics leaving a fresh, clean scent. Its concentrated formulation is ideal for use in garbage areas, dumpsters and washrooms.

#SBOCGE-G04 4 L 4/cs

Chic Carpet Deodorizer

CHIC is a blend of dustless powders, anti-dust mite compounds, and an exclusive fragrance. It is designed to simultaneously control dust mite growth while deodorizing carpets and its surrounding areas. Use CHIC before vacuuming carpets to overcome unwanted odors.

#P120 100 g 12/cs

Citro Fresh Carpet Deodorizer

Freshens the air and eliminates malodors: patented odor neutralizer combined with natural citronella oil, helps eliminates odors at their source leaving a citrus fragrance.

#24812 340 g

Institutional Febreze

Febreze RTU fabric refresher permanently eliminates odors in fabrics and carpets; it's not just a 'cover-up' product. Proprietary cleaning system goes to the source of odors and eliminates them. Spray directly on fabrics until slightly damp. As it dries, odors disappear. Patented binding technology locks onto odor molecules and traps them for good. A light, fresh scent is left behind to leave the treated area smelling fresh and clean. Safe for virtually all fabrics. Also works well on smoke, pet and mold and mildew odors.

#33032 3.78 L 4/cs

Contempo® Carpet Refresher

Everyday odors like smoke, pets, cooking and musty/stale odors can become trapped in the carpet fibers and make it smell foul and unpleasant. Freshen carpet with Contempo Carpet Refresher. Simply spray the mousse-like foam onto the carpet and allow to dry for five minutes. No vacuuming is needed to enjoy the freshening attributes of Contempo Carpet Refresher.

#SC641000 20 oz 12/cs

#4603095 2.5 L 1/cs

FOOD SANITATION | DRAIN TREATMENT

Auto Drain—Battery

Battery powered. Programmable, timed dispensing unit for maintenance of drains.

#SC920400

Consume LIQ H.D. Wastewater Treatment (Grease Trap)

Liquid wastewater treatment naturally digests organic soils in drains, grease interceptors, septic tanks, and wastewater systems. Consume LIQ maximizes efficiency to minimize operating costs. Routine application of Consume LIQ reduces biochemical oxygen demand and total suspended solids. Additionally, it can reduce the volume of sludge and costs associated with disposal.

#SC310305 20 L

Consume

Multi-functional at its best! Consume is a cleaner, odor eliminator, stain remover, and drain maintainer. Regular use of Consume eliminates organic build-up in drains, keeping them clear and odor-free. Ideal for cleaning and odor control in many areas, such as carpets, drains, dumpsters, and more!

#SC309704 4 L 4/cs

Biomor Drain Maintainer

This product is made up of a proprietary blend of surfactants and bio-cleaning agents. It provides long-term deep cleaning for drains, grease traps and odour control. Bio-mor Drain Maintainer is environmentally friendly.

#1975277001-1 3.78 L 4/cs

#P52-32 946 ml 12/cs

Liquid Plumr Drain Opener

Formulated thick to dissolve the toughest clogs fast. Won't harm pipes when used overnight.

#CL01803-1 909 ml 9/cs

FOOD SANITATION | DRAIN TREATMENT

Drain Flush

A sulphuric acid base drain maintainer. Quickly dissolves organic obstructions. Contains a corrosion inhibitor. Keeps drains clean and free flowing.

#LW34180 909 ml

BLOC-AID®

Bloc-Aid is a ready-to-use, non-acid, liquid drain and sewer cleaner plus maintainer. A small amount of Bloc-Aid used regularly in free-flowing drains will help prevent common sludge build-ups that cause drains to become slow and eventually cause clogs. It is safe to use in garbage disposals, septic tanks and cesspools without harm to plumbing.

#SC738003C 946 ml

FOOD SANITATION | MISCELLANEOUS

Grill Brick

Grill bricks are used to clean dirty, residue encrusted grills without scratching or lifting the grill cure.

#GB-12-1

3M Cold Grill Pads

For use on griddles that have been cooled. Protects hands from grease and burns while providing better cleaning leverage.

#GT461A	Handle	
#3M46	Nylon Cleaning Pad	20/pk
#70010	Grill Screens	20/pk

3M Hot Grill Pads

This griddle cleaning system removes heavily burned-on food and grease to provide a spotless, shiny griddle in minutes -- even on hot griddles. It works with less mess and residue and leaves a smoother finish than most traditional griddle cleaners.

#482	H.D. Handle
#82	H.D. Griddle Cleaning Pad

Grill Scrapers

Heat treated carbon steel blade for maximum strength. Comfortable contoured handle.

#9H15 3" Scraper

Stainless Steel Scouring Scrubber

Stainless Steel for rough cleaning chores - won't rust or splinter. Cleans pots and pans, grills, ovens; removes floor scuff marks.

#434BP 12/bx

Copper Mesh Scouring Scrubber

Perfect for heavy duty cleaning jobs. The Copper Scrubber is machine knit of pure copper strands that create a soft feel scrubber. This pad will not rust, splinter, or stain and is ideal for cleaning copper and aluminum cookware, broiler pans, barbeque grills, stove burners, oven rack and much more.

#DCM 12/pkg

Food Service Wipers

Reusable wipers for general wiping tasks.

#DP3107 Blue Wipers 100/bx

Green Scouring Pads

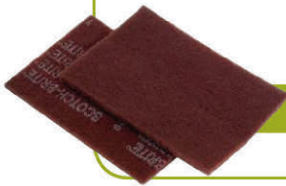

Good quality medium duty synthetic scouring pads. Ideal for a variety of cleaning applications.

#96C 6"x9" 100/cs

3M Scotch Brite General Purpose Hand Pad

3M Scotch-Brite Maroon General Purpose Hand Pad is designed for scuffing before applying paint and primer-surface. It is made of nylon web and does not rust like steel wool.

#7447 Maroon 20/cs

Yellow/Green Scrubbing Sponge

Dual-action cleaning tool. On one side, it's a No. 96 scouring pad for scrubbing and cleaning. On the other side, the cellulose sponge quickly wipes up spills and messes and can carry cleaning solutions to the work surface.

#74C 40/cs

S.O.S Steel Wool Soap Pads

Powerful, fast and convenient S.O.S. soap pads cuts through greasy problems. Removes rust stains and returns shine to your pots and pans.

#01177-1 18 Pkg 12/cs
#98028-1 10 Pkg 12/cs

Twinkle Stainless Steel Cleaner

Water based formula removes grease, dirt, fingerprints, smudges and water marks from stainless steel, brass, aluminum and chrome. Leaves no residue or greasy film. Contains no CFC's. Light lemon fragrance.

#91224 482 g 12/cs

Chlorine Test Strips

Quickly test the chlorine level in your water! Make sure your bleach solution is effective in just seconds. These chlorine sanitizer test strips are bright white then change colour to different shades of purple that indicate if the strength of the solution is 10, 50, 100, or 200 ppm (parts per million).

#SC984900 100/pk

Quat Test Strips

Quat Test strips provides a simple, reliable, and economical means to measure the concentration of Quaternary Sanitizers, including n-alkyldimethylbenzyl and/or n-alkyl dimethyl ethyl benzyl ammonium chloride. Colour matches at 0-100-200-300-400ppm (parts per million), the test paper measures concentrations between 0-400ppm, detecting exhaustion of solutions that should be replaced as well as helping to avoid using excessive amounts of sanitizing agents.

#SC983800 100/pk

Inspector's Choice

Designed to tackle tough cleaning and degreasing jobs, Inspector's Choice offers fast, foamy, grease release action for animal fats and organic oils. Unlike other meat room cleaners, Inspector's Choice foam has a unique lifting action that actually brings the soils to the surface allowing them to be rinsed away. Residue free, Inspector's Choice is safe for use on quarry tile and other food prep surfaces.

#SC304504 4 L
#SC304515C 15 Gal

Caustic Cleaner FP

A high alkaline, low foam liquid, Caustic Cleaner FP is designed to remove or clean soil from food processing and packaging equipment and the surrounding work areas. An excellent CIP cleaner to remove heavy encrustations. Also recommended for smokehouse cleaning. High performance even in hard water.

#SC318905C 20 L

DFP-32 All Purpose Cleaner

Economical general purpose cleaner. Use in all areas of food processing, food handling and food service. Rapidly emulsifies and removes animal fat, grease, vegetable oil, blood, smoke film and other problem soils. Rinsing leaves hard surfaces virtually odorless and film free. Biodegradable. Phosphate free. Kosher and Pareve.

#SC300804C 4 L
#SC300815C 15 Gal

Eggs-So-Clean Egg Washing Compound

A uniquely formulated washing compound specifically designed for use in shell egg washing applications. Non-chlorinated, Eggs-So-Clean Egg Washing Compound, is a combination of several surfactants that aid in cleaning and preventing soil from redepositing on the eggshell. Provides efficient egg washing by quickly removing chicken feces, blood, dirt, mud, feathers, insects and other soil from the eggshell.

#SC312905 20 L

Eggs-So-Clean pH Booster

Designed to use in conjunction with Eggs-So-Clean Egg Washing Compound, Eggs-So-Clean pH Booster is a 25% caustic solution designed to insure proper pH. Eggs-So-Clean pH Booster neutralizes the level of contaminants such as egg proteins, soils, and other egg waste in the wash water. This assures a pH level in keeping with Industry and HACCP (Hazard Analysis and Critical Control Points) guidelines of 10.0 or greater.

#SC312505 20 L

Foaming Acid Cleaner FP

This concentrated, high performance, phosphoric acid based product is specifically formulated and boosted with high foamers for use in dairy and food processing applications. Foaming Acid Cleaner FP's high foaming feature provides a thick, rich foaming lather that grips vertical and horizontal surfaces extending contact time for better cleaning performance.

#SC308105 20 L

Foaming Caustic Cleaner FP

A high foam, high alkaline, liquid concentrate, Foaming Caustic Cleaner FP penetrates, emulsifies and removes tough food soils as well as natural and liquid smoke residue from smoke-houses and other food processing equipment. The powerful cleaning force of sodium hydroxide and sodium metasilicate saponifies fat, dissolves protein, and removes carbonized and greasy soils quickly and efficiently.

#SC317905 20 L

Chlorinated Plus™

A ultra-heavy-duty, strong alkaline, high foam, concentrated degreaser, fortified with bleach. Chlorinated Plus is formulated for heavily soiled food processing surfaces and equipment contaminated with animal fats and oils, blood stains, and other baked on carbonized soils. May be used in meat, poultry, seafood, and other food processing industries.

#SC307404C 4 L 4/cs
#SC307415C 15 Gal

High Acid Cleaner FP

Formulated for dairy and food processing industry. Removes mineral deposits like milkstone and beer-stone from stainless steel, and other acid resistant surfaces. Low foaming, with complete rinsability, High Acid Cleaner FP is an excellent product for CIP cleaning and neutralizing applications. Assists dairies in compliance with the grade "A" Pasteurized Milk Ordinance.

#SC308204C 4 L
#SC308215C 15 Gal

LFC

High alkalinity and bleach form the base of this low foam, high performance formula developed exclusively for pressure cleaning. The low foaming characteristic of LFC mean less foam and less time spent rinsing. LFC's bleach cleaning action provides quick protein removal and destaining. The buffered alkaline components react with fats to emulsify, remove fatty soils, grease, oils and carbonized soils.

#SC307504C 4 L
#SC307515C 15 Gal

Peroxy Protein Remover Cleaner

Peroxy Protein Remover, Cleaner & Whitener is a hydrogen peroxide-based cleaner designed to remove proteins and whiten protein stains from all types of food preparation surfaces. Formulated specifically for food handling, food processing, and food service operations, Peroxy Protein Remover can be used as a general purpose cleaner to remove animal fat, grease, blood, vegetable oils, food residues and other tough soils.

#SC382104 4 L 4/cs

Acid Blend FP

Acid Blend FP is a nitric and phosphoric acid blend used for passivation & to remove iron & other inorganic deposits from tank surfaces. Formulated to passivate & brighten stainless steel tanks Acid Blend FP inhibits the negative impacts of iron residue on beer's flavor & leaves surfaces sparkling. The low foaming formula is designed for use in manual & CIP cleaning operations.

#SC312405C 20 L

Chlorinated Degreaser

Heavy-duty concentrated liquid formulated with bleach to quickly remove carbonized soils such as blood stains from floors, walls and food processing equipment. The bleach cleaning action is high foaming and great for fast grease release. Safe to use on aluminum, galvanized steel and stainless steel and works well in all kinds of water conditions..

#SC308004C 4 L 4/cs
#SC308015C 15 Gal

Freezer Cleaner FP

This heavy-duty formula designed to clean floors, walls and equipment in sub-freezing cold storage and freezer areas without the need for defrosting. A unique solvent-detergent blend, it contains solvents to depress the freezing point and cut grease as well as detergents to emulsify and penetrate surface soils.

#SC312804C 4 L

Freezer Floor Cleaner

Low-temperature formula keeps freezer surfaces and floors clean without shutdown. Works down to -10 degree F/-23.3 degree C. Methanol free, biodegradable, no rinsing required..

#02364 16.3 kg

Multi-Purpose Lubricant

Multi-Purpose Lubricant is a must for every tool box. It penetrates and frees rusted bolts, lubricates door hinges, windows, locks, etc. to stop squeaks and promote proper performance. It will also displace moisture to dry ignition systems.

#BT120 320 gr

Silicone Lubricant

High quality SILICONE is formulated as a lubricant designed to reduce friction between non-metal parts. The product is also used to prolong the life of rubber parts. For automotive rubber weather stripping on hoods, trunk lids, doors and windows. Lubricates window channels.

#BT140 300 gr

Water-Based White Grease

Provides good performance under high friction loads, rubbing and wiping action For industrial, automotive and household usages. (e.g. brake and gear shift m parts, hinges, springs, latches, distributor cams, speedometer cables, etc.) Provides water barrier to prevent rusting and corrosion. Aerosol format w/extension tube allows penetration in "hard to get" locations. Is non-staining.

#BT305 312 gr

Garage Door Lubricant

A specially formulated to provide long lasting lubrication and corrosion protection where all metal to metal friction occurs. High performance lubricant with "anti-wear" and "extreme pressure" additives. Lubricates and protects tracks, rails, springs, rollers, chains, cables and gears. The "thixotropic" formulation is non-dripping. Leaves a tack-free film that will not accumulate dust and dirt.

#BT300 340 gr

Moly Grease

MOLY is a heavy duty lubricant used for general plant maintenance, metal working trade, machinery manufacturers and manufacturers of mechanical equipment and engines. Ideal for use on gears, dies, conveyors, cams or anywhere a solid lubricant is required. Excellent characteristics for extending life expectancy of machinery parts. Fast drying film resists dirt and dust build-up. Non-conductive and bonds instantly to metal, rubber, plastic and most substrates. This product has HIGH anti-friction and anti-seizure properties.

#BT111 300 gr

Chain Lube

CHAIN LUBE is formulated with a blend of high performance lubricants. This product can be used for most manufacturing industries including metal working, stamping, machining, assembly, automation, plastics, packaging etc. Ideal for automotive, industrial and sports vehicle applications. Also apply to O-rings, chain drives, small cables, sprockets, flexible couplings and other metal machinery parts.

#BT130 230 gr

MAINTENANCE PRODUCTS | GRAFFITI REMOVER

Graffiti Remover SAC

Graffiti Remover SAC is a ready-to-use Bio Renewables product based on a biobased solvent, which is naturally derived from agricultural ingredients. #7316	16"

**Synthetic Combo Coarse Sweep**

The 67 Series features a centre filled with coarse synthetic bristles encased by a row of soft, flagged, synthetic bristles for a broom that will sweep up fine dust and move debris at the same time.

#6718 18"
#6724 24"
#6736 36"

**Tampico/Palmyra Medium Sweep**

An all-natural push broom combining a stiff Palmyra centre surrounded by an outer row of medium natural fibre. These two fibres are plant based, heat resistant, aggressive sweepers that move large debris over rough surfaces.

#6218 18"
#6224 24"
#6236 36"

**Synthetic Fibre Coarse Sweep**

This stiff sweep synthetic broom is ideal for snow, gravel, or mud in wet or dry conditions. The fibre is oil and solvent resistant.

#8318 18"
#8324 24"
#8336 36"

**Synthetic Tampico Medium Sweep**

100% medium synthetic fibre is an all purpose choice for use indoors on wood, linoleum or concrete, or outdoors on smooth surfaces.

#6318 18"
#6324 24"
#6336 36"

**Synthetic Fine/Medium Sweep**

Synthetic horsehair encases a medium, natural tampico centre on these brooms. The soft, synthetic outer bristles pick up fine particles, while the extra flicking power of the stiffer tampico centre helps move larger debris for a well-rounded indoor broom.

#53018 18"
#53024 24"
#53036 36"

**Tampico Blend Medium Sweep**

A combination of synthetic tampico fibres makes this broom a good choice for a warehouse or any facility where both fine dust and larger particles need to be moved.

#56018 18"
#56024 24"
#56036 36"

**Hair Blend Soft Sweep**

These fine fibre push brooms are filled with a blend of synthetic and natural horsehair, a combination that effectively captures and moves fine dust on smooth indoor surfaces.

#55018 18"
#55024 24"
#55036 36"

**Hair/Fibre Soft Sweep**

A soft sweep broom combining horsehair blend with other synthetic fibres for sweeping fine particles on smooth surfaces. The flicking action as the broom sweeps helps move dust efficiently.

#53118 18"
#53124 24"
#53136 36"

**Synthetic Fibre Fine Sweep**

A fine fibre push broom with soft, synthetic fibres. Flagged ends pick up dust with an almost magnetic action, making this broom a good choice for hardwood floors. The fill is moisture, solvent and oil resistant with excellent memory, so bristles will retain their shape over time.

#58118 18"
#58124 24"
#58136 36"

**Food Service Medium Sweep**

Synthetic medium sweep for food service durable foam block staple-set with medium/stiff synthetic fibre for food service/processing applications. Easy to clean and "wood-free" to meet hygienic regulations.

#57218 18"
#57224 24"

Titan Industrial Broom

The Titan industrial angled broom features a lightweight yet strong fibreglass handle with an extra long ergonomic grip. The long black flagged bristles are made of durable poly-pro and can withstand many harsh chemicals in virtually any environment. Overall length 54".

#MB3000

Angle Brooms

Angle brooms are long wearing and unbeatable for their strength and durability. They are ideal for cleaning corners, under counters, and hard to reach areas in both wet or dry applications indoor or out. They are constructed of durable flagged synthetic fibre that is angled to allow effective sweeping of even the hardest to reach places. Flagged bristles effectively trap dirt and dust.

#98AB

Trailblazer Broom Head

The Trailblazer upright broom is designed for fine sweeping of dust and dirt found in corners and around equipment. The Trailblazer is filled with fine synthetic fibres which are flagged to increase softness and dust attraction when sweeping. Fibres are also fused into the block reducing the chances of fibres falling out. Synthetic block and fibres are water and chemical resistant. For food service applications, we recommend using an aluminum or fibreglass threaded handle.

#772

Warehouse Broom Head

The Warehouse upright broom is designed for general purpose sweeping of dirt and debris found in corners and around equipment. The Warehouse is filled with coarse synthetic fibres that are fused into the block reducing the chances of fibres falling out.

Synthetic block and fibres are water and chemical resistant. For food service applications, we recommend using an aluminum or fibreglass threaded handle.

#771

Rite-Angle Brooms

Rite-Angle broom with flagged ends gets into corners and picks up fine dust and dirt. Excellent size for use in entrances and stairways with a lobby dust pan or Litter-Sweep. Complete with handle.

#797 Large (12" Wide)
#792 Small (9" Wide)
#790 Small Lobby (9" Wide)

Vortex Angle Broom

Flagged tipped bristles pick up fine dirt & dust particles. Angled edge & long bristles make this broom perfect for cleaning in corners or in tight spaces. Soft sweep bristles are ideal for cleaning on smooth & delicate surfaces such as hardwood lightweight design makes cleaning easy. Complete with durable metal handle.

#M2BA3220

Sweep-Ezy Magnetic Brooms

These sturdy plastic block uprights are filled with soft synthetic fibres suitable for the smoothest hardwood floors. Traditionally, these brooms have been called "magnetic," referring to the static charge they build up as they work across the surface to remove dust.

#784 Head only 11" Block
#2501 48" Handle

Jupiter Magnetic Kitchen Broom

Jupiter premium large indoor flat magnetic broom is heavily filled for sweeping fine particles on smooth hardwood floors including a 48" metal handle.

#M2BM4400 With Handle
#M2BM4400H0 Head Only

Economy Magnetic Broom

Sturdy plastic block densely filled with soft synthetic bristles. The broom head has flagged fibre ends with a magnetic quality to help pick up fine dust and dirt.

#794 Broom Head Only
#795 Broom head c/w 48" Handle
#2348 Replacement Handle 48"

Rail/Switch Brooms

Constructed of poly-pro fibres that are unaffected by water, acids, oils and most chemicals and do not harbor bacteria. Fibres are enclosed in a metal cap and bound with a galvanized wire band.

#CB111

FLOOR MAINTENANCE | CORN BROOMS

Industrial Corn Broom

All industrial corn brooms are bound with both polyester stitching and a heavy duty galvanized wire band to provide added durability and longer life. These brooms are best suited for wet or tough sweeping, both indoor and out. Applications best suited include snow removal, warehouse, garages, etc. All industrial corn brooms come with 1 1/8" diameter hardwood handles.

#CB107C 3 string/1 wire - Warehouse
#CB110 1 string/3 wire - Yard

Light Industrial Corn Brooms

All light industrial/household corn brooms are bound with polyester stitching to securely hold the premium quality corn. These durable brooms are designed for all purpose sweeping both indoor and out. All light industrial/household corn brooms come with 15/16" handle.

#CB107 6 String

**Toy/Lobby Brooms**

The Toy/Lobby corn broom is a light-duty, short-handled broom for use with lobby dust pans in entrances and vestibules. Sturdy 3 string construction with 13/16"x 30" painted handle.

#CB103 3 String

FLOOR MAINTENANCE | DUST PANS

Hand Dust Pans - Plastic

Hand held dust pans come equipped with hang up handle and feature a unique edge to ensure that debris goes into the pan and not under it. Molded from high impact polypropylene. 12".

#MA614 Black

Hand Dust Pans - Metal

Hand held dust pans come equipped with hang up handle and feature a unique edge to ensure that debris goes into the pan and not under it. 12".

#C715

Professional Metal Dust Pan

17" wide aluminum dust pan easily collects large amounts of dirt and debris. Features a lightweight yet durable design with a strong vinyl-coated handle.

#99980

Jumbo Debris Pan

Snap-locks for use and releases to dump or carry. Sturdy metal long handle.

#497

Lobby Pro Upright Dust Pan

Stylish pan design comes with durable rear wheels that improves wear resistance. Ideal for use in malls, restaurants and lobbies. Will not stain, discolour or absorb odors. Adjustable handle grip enhances user comfort.

#MI800

Lobby Dust Pan

This lobby dust pan features a larger, newly designed tray and a longer aluminum handle. The larger tray is able to hold more and features a better refined edge which is ideal for brushing in finer particles.

Our lobby dust pan has been specially designed with a better angled slope which prevents dirt particles and liquid spillage from escaping once swept in. The longer light-weight aluminum handle allows for a more ergonomic usage, eliminates bending.

#MI802

Aluminum Handle w/Nylon Threaded Tip

Aluminum handle with nylon threaded tip is the best choice handle for use with Trailblazer and Warehouse upright brooms.

#2408 48"
#2409 60"

Wooden Handle w/Nylon Threaded Tip

An economical alternative for all your cleaning accessory requirements. Nylon tip provides added durability for longer thread life.

#2554 54"

Fibreglass Handle c/w Thread Tip

An ideal solution for food service/food processing environments. Available in 5 colours to assist in food type or task segregation and in the implementation of a HACCP system. 54".

#2411 54"
#2410 60"

Wooden Handle w/ Metal Threaded Handle

Wood with metal thread handle is an economical alternative for all your cleaning accessory requirements. Metal tip adds durability for longer thread life.

#2505 54"

Threaded Wooden Handles

Wood thread handle is an economical alternative for all your cleaning accessory requirements.

#2504 54"
#2509 60"

Tapered Wood Handles

This hardwood handle's 1-1/8" diameter makes it strong. The handle can be used for most deck scrubs, floor squeegees, and stable brooms.

#2506 54"
#2513 60"
#7022 72"

Tapered/Threaded Aluminum Handle

60" x 1" Tapered/threaded aluminum handle this versatile handle solution offers a tapered or threaded end to fit all Ettore products or AG brooms and brushes.

#2412 60"

Metal Threaded Replacement Tip

Get more life out of your old handle by replacing the tip with this clamp on metal thread replacement.

#2412 60"

Jumbo Broom Brace

Strong flat-bar steel fits all sizes of brooms to add further strength to the handle and broom block connection. A Jumbo broom brace keeps the handle firmly in place and reduces handle breakage.

#2533

Jumbo Broom Handle

Top quality wood handle with Atlas-Graham's exclusive Jumbo connector. An unparalleled bolt-on push broom and handle solution that will add years to the life of the product.

#2532

Tool Bracket Holder

Free up your work space with our Tool Bracket. The tools you use most often such as, mop handles, brooms, brushes, pushbrooms, etc. are held firmly, yet released quickly. Sliding clips make it easy to adjust spacing. Tool Bracket can accommodate 7/8" to 1 1/8" standard diameter handles. Additional clip holders can be added.

#TL103 18" 3 Clip Holder
#TL105 36" 5 Clip Holder

Bolt On Style Handles

For use with breakaway & rigid bolt-on dust mop frames. Aluminum handle is excellent for use in food service and processing applications, where wood is prohibited.

#12600	60" Hardwood
#12602	60" Aluminum

Breakaway Dust Mop Frame and Handle

Breakaway dust mop frame and handle frame collapses for use with slip on or tie on dust mops. Rugged industrial frame and handle are built to last. 360-degree swivel with exclusive roll-pin provides maximum maneuverability around and under furniture.

#12618	18"
#12624	24"
#12636	36"

Astrolene Dust Mop

Astrolene mop yarn is a special blend of four different synthetic yarns to provide strength and launderability. The synthetic yarn readily absorbs the treatment for heavier commercial or industrial dust mop applications. Dries in half the time of a traditional cotton dust mop. Mops are 5" wide and designed to fit collapsible mop frames.

**Dynamist Dust Mop Treatment (Water Based)**

DYNA MIST is an outstanding water-based treatment designed for use on mops and cloths. When sprayed lightly it creates an electrostatic action that attracts and holds airborne dust, lint, grit, and other soils. Non-flammable and non-toxic.

#D15-1	4 L
--------	-----

Velva Sheen Dust Mop Treatment

Velva Sheen gets more dust off the floor with less work and helps you unload mops easily and completely without scattering debris. Treatment is as easy as spraying your mop's backing with the aerosol and bagging the mop overnight to allow the treatment to work through the mop's yarn. Floors are left dust free but not greasy or slippery. Velva Sheen is compatible with any floor and any floor finish.

#40616	400g	12/cs
--------	------	-------

Tuffstuff Wet Mops

Tuffstuff looped-end mops outlast conventional cut-end mops 8 times over. The yarn is composed of a combination of synthetic and cotton fibers giving it the strength and durability of a synthetic product, with the absorption of cotton. Used for general washing and scrubbing, stripping and disinfecting.

Microfibre Tube Mop

This innovative wet mop is made from 100% microfibre fabric sewn into tubes to form the "yarn" of the mop. Because microfibre has millions of microscopic fibres, it picks up dirt and absorbs liquids far better than traditional mop yarn. An excellent choice for general purpose cleaning or spill pickup. As an added bonus, the wide headband is made of a rough scrubber cloth that can be used to remove dried-on dirt. Use with narrow-band or wide-band style handles.

#5106

Microloop Wet Mop

Microloop is made from a 50:50 microfibre/synthetic yarn blend. This specially formulated yarn picks up 5X its weight in dirt and liquid. The twisted four-ply yarn has excellent tensile strength for improved launderability and durability.

Industrial Floor Squeegee Refill

Industrial floorsqueegeerefill thick industrial-grade rubber refill. Used in the industrial trade on rough floor surfaces with large amounts of water.

#36118 18"
#36124 24"
#36130 30"
#36136 36"

Automotive Floor Squeegee

The red colour of our automotive floor squeegee distinguishes it from other conventional squeegees, reminding the user that the thermoplastic elastomer blade is appropriate for use with oil and solvents. One piece, rust-resistant aluminum channel is heavy duty. The pliable blade moves freely on both smooth or textured surfaces, making it effective whether pushing or pulling. Recommended handles - 54" or 60" tapered wooden.

#45218 18" #45318 18" Refill
#45224 24" #45324 24" Refill
#45230 30" #45330 30" Refill
#45236 36" #45036 36" Refill

Curved Floor Squeegee

With a 30" curved neoprene blade, this Ettore Super Curve floor squeegee contains and moves water with ease. It features a hinged brace that allows the user to angle the handle to either push or pull liquids. Channel and brace are made of heavy-duty, rust-resistant aluminum.

#36430

Plastic HD Floor Squeegee

This heavy duty, plastic MUS squeegee is ideal for removing water or damp dirt from any type of flooring. Features a heavy duty plastic frame, flexible blade made of durable soft black closed-cell foam rubber and a universal handle socket for quick assembly.

#20055 22"
#20075 30"

Traxoff Black Heel Mark Remover

Traxoff's unique pads are aggressive enough to remove black heel marks from floors, but they won't damage floor finishes. This versatile scrubber can also be used to clean metal window frames and many other surfaces. The Traxoff tool is lightweight yet strong, and threads onto any threaded handle.

- #470 Traxoff Kit w/5 Pads
- #471 Replacement Pads (20's)

Utility Cleaning Pads

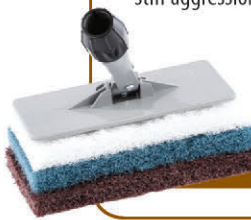

10" x 4" utility cleaning pads for use with the Padlok Pad Holders. Choose from 5 levels of abrasiveness.

- #690 White - Soft
- #691 Blue - Medium
- #692 Brown - Medium/Stiff
- #693 Black - Aggressive
- #694 Black - Highly Aggressive

Padlok Kit

The Padlok Kit contains a swivel padlok, plus three coloured utility pads - white (soft), blue (medium aggression), & brown (medium/stiff aggression).

- #167 Kit

Padlok Holders

The 3" x 9" Padlok tool holders offer a multitude of possible uses. Choose from the handheld version or our swivel tool with universal locking collar then pair it with the 10-inch utility pad of your choice and scrub away dirt and grime.

- #165 Hand Held
- #166 Swivel Padlock

Swivel Scrub

Swivel Scrub® The original swivel design allows aggressive DuPont Tynex® A, a nylon filament to efficiently scrub along baseboards, in corners and hard-to-reach areas. Use the Swivel Scrub for heavy scrubbing and stripping of wax build-up. Block size 8" x 3-1/2".

- #5301

Putty Knives

Tough, high impact plastic handle is resistant to most solvents and thinners. Textured finish for a comfortable, non-slip grip. Full tang 1-1/2 blade. Blade extends through the entire length of the handle for maximum strength. Blade is polished and clear coated to inhibit rust.

- #200 Flexible
- #201 Stiff
- #202 1-3/16" Flexible

Razor Scrapers

1 1/2" razor scrapers are designed for removing paint and labels from glass and other hard, smooth surfaces. All-steel construction or plastic comes with push button operated retractable blade.

- #205 Metal Scraper
- #206 Plastic Scraper
- #211 Replacement Blades 5 x 20's
- #210 Replacement Blades 100/bx

Super Scraper

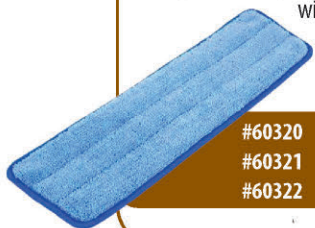

Super Scraper rugged scrapers with both a sharp and a dull side to each blade, angled to scrape either windows or floors. Ettore Super Scraper fit onto the tapered end of all Ettore poles so that the most difficult places can be reached.

- #37505 4" Super Scraper
- #37506 6" Super Scraper

Microsilver Microfibre Damp Mop

GF Microsilver flat mops combine the cleaning power of Millentex microfibre with the antibacterial benefit of silver. Microfiber picks up dirt and bacteria while silver ions bound within the fibers of the mop inhibit the growth of micro-organisms that can make mops smell musty. This damp mop is a good performer on smooth surfaces, with excellent pick up and absorbency. Available with three distinct trim colours to aid in the implementation of HACCP programs.

- #60320 Microfibre Damp Mop - (42-46 cm) Blue
- #60321 Microfibre Damp Mop - (42-46 cm) Green
- #60322 Microfibre Damp Mop - (42-46 cm) Red

Microsilver Microfibre Dust Mop with Fringe

AGF Microsilver dust mop features a low-pile microfibre pad surrounded by candy-stripe microfibre fringe to trap hairs, dust bunnies and light debris. Z-Velcro backing ensures a secure fit on the flat frame. Recommended frame: 2143 Kwik System flat frame.

- #60330 Microfibre Dust Mop with Fringe - 46cm
- #60331 Microfibre Dust Mop with Fringe - 60cm

Kwikstream Floor Mopping System

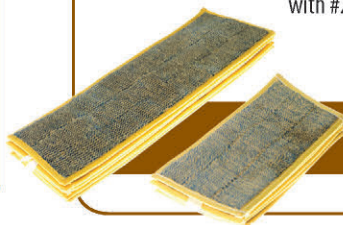

The Kwikstream handle has a built-in reservoir within the handle itself. This internal reservoir means it has a very low profile allowing it to get into hard to reach places like stairs, under beds, under furniture. Labour efficiency improves when comparing it with other traditional ways of cleaning using a bucket and water and chemical consumption are dramatically reduced.

#36783

Microscrub Flat-Mops

The MicroScrub's combination of microfibre and polypropylene scrubbing fibres means less surface drag and enhanced scrubbing capabilities. A good choice for tiled or textured floors or walls. Use with #2142 Kwik Velcro frame.

- #60926 26-30cm
- #60927 42-46cm

Biostic Mopping System

The BioStic is a completely self-contained mopping system that eliminates the need for a bucket and wringer. With an on-board 650ml solution bottle that uses gravity to dispense cleaning solution with the press of a button, this system is extremely mobile and quick to deploy. Each BioStic comes complete with a blue-capped solution bottle but replacement bottles can be purchased with red, yellow and green caps to allow users to designate different solutions for different cleaning zones. Use with any 24" Velcro Flat Mop.

#60970

Swiffer WetJet Starter kit

Swiffer WetJet Floor Spray Mop gives you a great clean on virtually any floor in your home. With a unique dual-nozzle sprayer, this all-in-one mopping system breaks up and dissolves tough messes for a powerful clean. Its cleaning solution loosens dirt and lifts it off the floor, pulling dirt and grime into the WetJet pad and locking it away for good.

- #32694 Starter Kit
- #08443 Pad Refills 24 per pkg
- #23679 WetJet Multipurpose Cleaner 1.25L

UltraSpeed Pro Flat Mop System

Compared to current bucket-and-press systems, the UltraSpeed Pro flat mopping system outperforms them in every aspect. Faster wringing - simple to use and twice as fast. Efficient press - releases up to 50% more water. Floors dry faster - reduce slip hazards. Hygienic - no hand contact with mops or cleaning solution. Easy to use - no training required. Ergonomic - lightweight, no bending to wring. Kits include: Chassis, Bucket, Press, Mop Frame, Trio Mop, & Telescopic Handle.

- #148343 Single Bucket Ready to Go Kit
- #148344 Double Bucket Ready to Go Kit
- #143236 UltraSpeed Trio Mop 40cm

Kwik Frame Flat Mop System

Lightweight aluminum flat mopping frame features replaceable velcro strips, a handle connector that can be locked at 90 degrees and has a quick release mechanism for quick and easy handle change. This frame fits any of the Kwik System aluminum handles.

#2142 - 23cm (9") Frame Only
#2143 - 40cm (16") Frame Only
#2144 - 55cm (22") Frame Only

Kwik Frame Handles

Lightweight aluminum flat mopping frame features replaceable velcro strips, a handle connector that can be locked at 90 degrees and has a quick release mechanism for quick and easy handle change. This frame fits any of the Kwik System aluminum handles.

#36780 150cm Fixed Handle
#36781 89-163cm Telescopic
#60144 100-185cm Telescopic (use with #60892)

Plastic Velcro Flat Mop Frame

The plastic velcro flat mop frame has no metal parts to corrode and is easy to clean. Can be used with both dry and damp flat mops.

Use with #61044 - ex-tendable aluminum handle and #60727 - microfibre blue damp mop; #60927- microscrub damp mop, or #60798 MF dust mop.

#60892 - 40cm (16") Frame Only

Swiffer Dust Mops

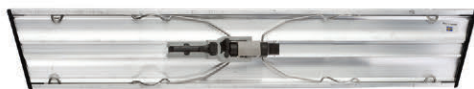

Swiffer dry electrostatic cloths are textured with deep V-shaped ridges to trap and lock dirt, dust, hair and crumbs. Swiffer wet cloths clean tough spots from dried-on food to scuffs with thick, wet cloths that have dirt dissolving solution and a scrub strip. Swiffer starter kit includes 1 sweeper, 2 dry cloths and 2 wet mopping cloths.

#92815 Swiffer starter kit wet/dry

Biomop Dry Mopping System

Hygienic, disposable and biodegradable, this dry mop system traps and holds dust for the perfect green cleaning program. The Kwik System aluminum handle with spring-clip frame can be adjusted to accommodate any person's height. Use with Purasolution's Biomop disposable cloths.

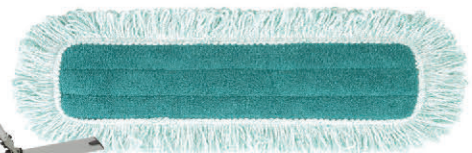

#21924 - 61cm Frame and Handle
#70143 - Biomop Sheets 200/box.

Kwik System Velcro Flat Frame

Kwik System velcro frames are built with high-grade extruded aluminum and composites for light weight but extreme durability. This special extra-wide version of the Kwik frame is designed for use with 49.5/51" Velcro flat-mops (60380, 60333) to clean gyms, hallways or large expanses of floor. The frame comes complete with a handle and includes a special brace for added stability.

#12146 Kwik System Velcro Frame - 120 cm
#60333 Microsilver Microfibre Dust Mop with Fringe - 120cm

Floor Pads available from sizes 10" to 27"

3M 7300 Series, Hi-Pro Black

The most aggressive stripping floor pad from 3M. Used for fast removal of floor finish and heavy dirt (e.g. concrete) with proven consistent stripping. Unique open construction that resists loading and clogging. Highly durable, and offers consistent performance throughout its life time.

#7300-BLK 5/cs
Available Sizes: 13" - 20"

3M 7200 Series, Black

Standard of the industry, for wet stripping of old soiled floor finishes or heavy duty cleaning. The blend of fibres increases friction on floors effectively removing floor finish, black marks and stains. Also use for heavy duty cleaning on concrete and industrial floors. Consistent proven performance with long pad life.

#7200-BLK 5/cs
Available Sizes: 12" - 21"

3M 7100 Series, Premium Brown

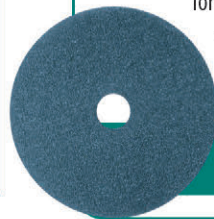

3M Brown Premium Floor Pad is conformable for stripping uneven floors prior to refinishing. Super heavy duty scrubbing for removal of 2-4 coats prior to recoating. Ideal for dry stripping of protected floors or wet stripping with any convenient stripping solution.

#7100-BRN 5/cs
Available Sizes: 15" - 20"

3M 5300 Series, Blue

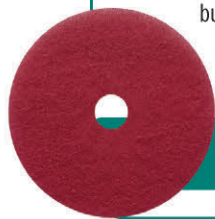

Restores the gloss to dull floors. Designed for frequent burnishing with less dust and burning. Also used for dry scrubbing of heavily soiled floors or for spray cleaning of medium soiled floors. Recommended for dry stripping soft floors such as linoleum. Uniform distribution of mineral abrasives throughout the pad and not just on the surface ensures impressive performance and a long, useful life.

#5300-BLU 5/cs
Available Sizes: 11" - 21"

3M 5100 Series, Red

Designed for everyday cleaning and light scrubbing to remove light soil, scuff marks and black heel marks. It cleans when damp and buffs when dry. Quickly cleans and removes scuff marks to enhance floor appearance.

#5100-RED 5/cs
Available Sizes: 10" - 21"

3M 4100 Series, White

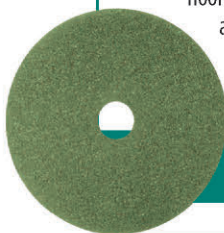

These 3M White Premium Floor Pads are ideal for dry polishing and buffing of unprotected floors with standard speed rotary floor machines. They are also suitable for light spray cleaning. They enhance floor shine without scratching or damaging protected floors.

#4100-WHT 5/cs
Available Sizes: 11" - 27"

3M 5200 Series, Green

Produces good gloss improvement. A medium aggressive pad used to remove marks and soil. The soft finish problem solver. Also used to prepare hard floors for recoating with floor finish and for stripping soft floors such as linoleum or soft vinyl. Exceptional durability and life, the uniform distribution of mineral abrasives throughout every pad and not just on the surface ensures impressive performance and a long, useful life.

#5200-GRN 5/cs
Available Sizes: 16" - 21"

3M 3200 Series, Orange & White

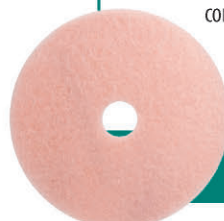

3M Orange & White Burnish Floor Pads optimises ultra high speed burnishing on a wide variety of finishes. Combines black mark removal and gloss generation in one pad. Highly durable pad offering a consistently high performance throughout its long life time.

#3200-ORG 5/cs
Available Sizes: 16" - 21"

3M 3600 Series, Pink Eraser

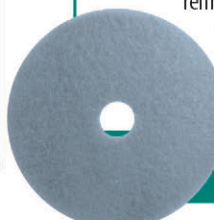

3M Pink Eraser Burnish Pad is a specially designed floor pad, consisting of a specific fibre mix to ensure a faster polishing action, a high production of shine, and more efficient erasing of marks - shoe soles, trolley wheels, etc. The Eraser Pad is an expert in polishing, and mark removal.

#3600-PNK 5/cs
Available Sizes: 17" - 21"

3M 3100 Series, Aqua

Gentle action is ideal for frequent burnishing on soft finishes. Pad produces a high gloss with minimal floor burning and low finish removal. Washable, reusable pad has exceptional durability and long life. Can be used with electric, battery, or propane ultra-high-speed (1500 rpm and above) floor machines. Fibers throughout pad are uniformly coated with high-performance resin.

#3100-AQU 5/cs
Available Sizes: 20" - 24" - 27"

Synthetic Horsehair Window Brush

Synthetic horsehair brushes have fine, crimped fibres to hold more water. Takes any standard handle, threaded or tapered and can be used with an extension pole.

#305 5" Round
#316 10" Rectangular

Synthetic Poly Window Brush

X-shaped green polyester fibre has maximum water-holding capabilities and durability. Ideal as a vehicle or window brush. Takes any standard handle, threaded or tapered and can be used with an extension pole.

#303 5" Round
#318 10" Rectangular

Natural Tampico Window Brush

Natural tampico fibre offers good heat resistance and absorbs and releases solution well in an industrial application. Takes any standard handle, threaded or tapered and can be used with an extension pole.

#302 5" Round
#317 10" Rectangular

Nylex Dual Level Window Brush

10" Dual Level, flo-thru foam block is filled with plush, x-shaped green Nylex fibre for maximum water-holding capabilities. The brush block is angled to reach all areas. Takes any standard handle, threaded or tapered and can be used with an extension pole.

Use this 2-section Economy Extension Handle wherever you need an extra reach. Perfect for painting, scrubbing windows, or washing trucks.

- #36778 78" x 1"

Flow -Through Fountain Handle

This 60" metal handle includes a standard hose fitting for use with flo-thru window and automotive brushes.

- #353

AGF Solstice Starter Kit

The kit is ergonomically correct and environmentally friendly. A single stroke of the scrubber or squeegee doubles the surface area covered by a hand-held towel, dramatically cutting time spent on the task. The resulting clean surface is streak-free and can be attained using surprisingly little water. A reduced need for chemicals as well as time saved means this kit pays for itself in about a week or less in most institutions. Kit includes:

- 10' (3m) x 3 section extension pole
- 10" scrubber refill
- 14" scrubber refill
- 10" scrubber t-bar
- 14" scrubber t-bar
- 10" stainless steel squeegee channel w/ rubber
- 14" stainless steel squeegee channel w/ rubber
- 18" stainless steel squeegee channel w/ rubber
- Stainless steel squeegee handle

- #46001 Solstice Starter Kit

CLEANING HARDWARE | WINDOW CLEANING ACCESSORIES

Scrapemaster

Scrapemaster is hard on dirt, easy on your budget. 100 mm wide double-edged Danish flex steel blades conform to the shape of the glass. Tough plastic handle comes with snap-on protective cover. Keep the window wet when using these scrapers and only scrape forward, not side to side to protect the window from scratches.

#37500 Scrapemaster Complete

**Summit Vehicle Wash Brush**

This 10" dual level block, filled with soft polystyrene fibre is safe for washing all vehicles and reaches all areas easily, including roofs. Vehicles should be thoroughly rinsed before using a brush to remove heavier dirt and grit that might scratch the surface. Always use a soapy solution when brushing.

#5313

A-G Professional Truck / Trailer Wash Brush

This 10" structural foam block brush is densely filled with synthetic horse hair fibre. Takes any standard handle, threaded or tapered, or can be used with an extension pole or water-fed pole.

#352

Dual Level Vehicle Wash Brush

This dual Level 10" brush, easily cleans all areas of the vehicle, including the roof. The Flo-thru block with plush nylux fibres are designed for removing dirt from the most delicate automotive finishes. Vehicles should be thoroughly rinsed to remove grit and heavier dirt prior to brushing with soapy handle.

#5314

A-G Professional Acid Wash Brushes

This Acid-Resistant Vehicle Brush is a 10" structural foam flo-thru block, heavily filled with medium stiff, acid-resistant, polypropylene fibre. Excellent as a truck wash (especially cement mixers) or for aluminum siding, brick or stone buildings. Use wherever an acid wash is required. Use with an acid resistant handle or any standard threaded or tapered handle, or extension pole.

#315 10" Rectangular Brush
#388 20" Detail Brush

A-G Professional Detail Brush

Poly-X Professional Detail Brushes are suitable for the most delicate automotive finishes and are ideal for intricate areas such as bumpers, trims and grills.

#386 9" Poly-X
#387 20" Poly-X

**Vehicle Squeegee / Scrubber**

Heavy duty netting makes short work of bugs and road grime. 16" length is perfect for most cars.

#WS09100

Pointed Hand Scrub Brushes

Industrial sized all-purpose hand held scrub brushes. The 9 1/2" peanut shaped hand grip is designed for ergonomic comfort when aggressive scrubbing is needed.

- #150 Natural Union Fibre
- #151 Palmyra Stiff Fibre
- #152 Synthetic Med Fibre

Upholstery Scrub Brush

Rectangular shaped carpet/upholstery brush is easy to grip. Filled with natural white Tampico fibre which is a soft/medium stiffness for removing stains. Excellent for carpet tamping and spot cleaning.

#164

Iron Scrub Brush

This all-plastic scrub with the iron-shaped handle is ergonomically designed to reduce fatigue.

#101

Hand and Nail Scrub Brush

This plastic nail brush with a closed handle is a must-have for implementing workplace hygiene programs.

#409

Parts Cleaning Brush

Plastic handle and solvent resistant polypropylene. Used to apply cleaning solvent to tools, machinery and equipment.

#8502

Wire Scratch Brushes

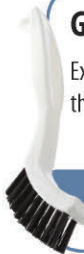

These brushes are offered in tempered steel for use in dry applications, stainless steel for more humid conditions and soft brass for cleaning polished surfaces such as enamel BBQ finishes.

- #99021 4-Row, Curved, Carbon Steel
- #99022 4-Row, Curved, Brass
- #99017 4-Row, Long, St. Steel

Grout & Crevice Brush

Extra coarse, 7/8" trim fibres offer the strength required to power through mold and dirt found on grout.

#5351

CLEANING HARDWARE | COUNTER BRUSHES

Counter Brushes

Wood block counter brushes are perfect to use in a dry industrial environment. Useful for sweeping fine dust and dirt particles from counters and benches.

- #84 Horsehair Blend
- #85 Synthetic Horsehair

Food Service Counter Brush

In a food preparation environment, our polypropylene counter brushes can sweep up flour and crumbs from countertops before washing.

- #A814 Blue Soft Bristle
- #812 White Soft Bristle

Whisks

Use to clean work benches. Corn whisks remove dry industrial grit and dirt, while the synthetic whisks remove dirt where high humidity is present.

- #7509 Synthetic
- #17521 Corn Whisk w/ Metal Cap

Wood Block Deck Brush

These all-purpose wooden deck brushes are filled with a blend of natural tampico and palmyra fibres (called union fibre) in an 11" wooden block drilled to accept a tapered handle.

- #336 Med. Union w/ Rubber Squeegee
- #334 Med. Union
- #322 Stiff, Synthetic Fibre

**All Purpose Deck Scrubs**

Acid Resistant Fibre Deck Brush These deck scrubs features a 10" plastic block filled with synthetic fibres for a versatile, all purpose scrubbing tool. The plastic block has a threaded and a tapered handle hole to allow the user to choose the handle they prefer.

- #347 Acid Resistant Fibre

Slim Line Scrub Brushes

These deck scrubs feature a low-profile plastic block with grooved edges to provide an easier grip for handheld use. They will accept any threaded handle. Natural Tampico fibres absorb more water and offer a gentle scrubbing action suitable for pool side cleaning.

- #99100 Coarse, Synthetic Fibre
- #99101 Med. Tampico Fibre

**Dual Level Floor Scrub Brush**

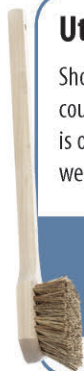

This dual-level brush features coarse, crimped polypropylene trim in a 10" polymer block. The "V" shape of the block allows the bristles to get into corners.

- #5317

Utility Scrub Brushes - Natural

Short or long handle, these all-natural brushes have medium to course stiffness depending on fibre fill. The structure of natural fibre is open, meaning it absorbs water readily and performs well where heat may be present.

- #381 Med. Tampico - 20" Handle
- #383 Med. Tampico - 9" Handle
- #398 Course Union - 20" Handle
- #400 Course Union - 9" Handle

**Utility Scrub Brushes - Synthetic**

Short or long handle, these synthetic brushes have medium to course stiffness depending on fibre fill. The structure of synthetic fibre is closed, meaning it absorbs very little water. Can be used for the food service industry.

- #381 Med. Tampico - 20" Handle
- #383 Med. Tampico - 9" Handle
- #398 Course Union - 20" Handle
- #400 Course Union - 9" Handle

**Swivel Scrub**

Swivel Scrub® The original swivel design allows aggressive DuPont Tynex® A, a nylon filament to efficiently scrub along baseboards, in corners and hard-to-reach areas. Use the Swivel Scrub for heavy scrubbing and stripping of wax build-up. Block size 8" x 3-1/2".

- #5301

Wooly Wonder Lambswool Dusters

The Wooly Wonder is made from a natural fibre that attracts dust like a magnet. The fixed-handle lambswool dusters are ideal for all arm's-reach surfaces such as desks, furniture, and window blinds.

- #312 Big Pro 28"
- #425 Econo Pro 26"
- #314 Flex 28"

Wooly Wonder - Extendable Dusters

Our flex dusters are the first flexible extension dusters with the naturally charged power of 100% lambswool. They bend and stretch to curl around pipes and reach over ceiling fans and ledges.

- #310 Super Flex Flexible & Extendable 32" to 60"

eXpunge Eraser

eXpunge is a water activated cleaning sponge that erases dirt and stains on most hard surfaces. The eXpunge is an environmentally friendly product since no other cleaning chemicals are required except for water. The eXpunge is not only remarkably effective on bathroom tile, counter tops, baseboards, and floors, but also erases scuffmarks, crayons and marker stains. Use it on your most difficult surface stains.

Aladdin Smokers Station®

Weather-resistant, fire-safe steel construction will not burn. 4.25 gal galvanized steel liner with handle for easy disposal. Removable top fastens from the base by two easily operated clasps for emptying and re-attachment. Two 1.25" diameter disposal openings. UV-Stabilized hammertone, Uni-Koat powder coated finish endures severe weather and prevents unsightly cigarette burn damage. Nickel plated brass chain secures top to base to deter theft.

#R1639E 16" dia x 39" h

GroundsKeeper® Tuscan Receptacle

Inner galvanized steel canister securely holds large quantities of cigarette waste. Restricted opening shields cigarette butts from view, weather and flow of oxygen. Two-piece design makes cleaning quick and easy. Steel base plate adds weight for stability and discourages theft. Constructed of smooth injection molded plastic, rust resistant and easy to clean. Factory Mutual (FM) approved for fire safety.

#9W30

Cease-Fire™ Butt Receptacle

Keep the public areas of your building clean, safe and attractive. Restricts oxygen quickly and safely extinguish cigarettes, greatly reducing the risk of fire. Covered opening eliminates rainwater overflow. Polyethylene construction with large, interior, galvanized steel liner pail holds waste and makes cleaning easier. Stable, 16-1/2"-dia. base includes two tie-down notches for additional security. Lid twists open and closed easily.

Tire Track

Exclusive high/low needle punch coarse fibre surface with a superior vinyl backing for heavy and multi-directional traffic applications. The mat surface is 100% polypropylene which allows for better water absorption, quicker drying and a long lasting appearance. Tire Track™ has a face weight of 41 oz. per sq./yd. which resists crushing and retains its appearance longer. The industrial strength, durable heavy duty backing is 85 mil (+/- 5) which resists curling, chipping and anchors the mat to the floor. The attractive high/low surface pattern aggressively scrapes and dries the feet allowing dirt particles to fall to the bottom of the mat. The Tire Track™ carpet surface is resistant to ice melts, salts, chlorine, petroleum products, caustic soda, mold, and mildew.

Standard Sizes: Roll Sizes:

2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'	6'x10'	6'x60'

Available colours:
Beige (06), Brown (18), Anthracite (54), Grey (85)

Cross-Over

Attractive two-tone colours and resilient construction resist fading and crushing. Non-absorbent, abrasive surface scrapes debris and moisture from footwear while sturdy olefin fibres start the drying process.

Standard Sizes: Roll Sizes:

2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'

FLOOR MATTING | ENTRANCE MATTING - WIPER/SCRAPER MATS

**Oxford Elite**

Heavyweight loop pile mat that exceeds the performance of similar wiper/scraper in the market. Attractive pattern hides dirt and keeps entrances clean. Mix of abrasive and sturdy olefin fibres for well balanced wiping and scraping performance.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'	6'x10'	6'x60'

Available colours: Black/Grey, Black/Brown, Black/Burgundy, Black/Blue

**Chevron Wiper/Scraper Mats**

Attractive and durable, this multi-directional V pattern, mat is ideal for moderate to heavy traffic areas. 100% polypropylene needle punch surface fused to a premium vinyl backing that guarantees against water penetration and is resistant to ice melts, salts, chlorine, petroleum products, caustic soda as well as mold and mildew. The raised surface allows moderate water absorption and drying action trapping and holding dirt particles in the recessed areas.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x6'	4'x8'	4'x10'	6'x60'

Burgundy (30) Charcoal (54) Brown (18) Green (09) Steel Blue (62)

**Needle-Pin Wiper Scraper Mats**

High performance, long lasting needle punch wiper/scraper for multi-directional and heavy traffic applications. 100% polypropylene needle punch surface bonded to a heavy duty vinyl back. Needle Pin has a hard, 25 oz. per sq. yard latex coated surface which resists crushing and allows the mat to retain its appearance longer than other comparable products in its category. The irregular surface absorbs moisture and allows dirt particles to accumulate in the crevices. The premium heavy duty vinyl back will not break down and will not allow moisture to penetrate to the floor or carpet. The 100% polypropylene surface is resistant to ice melts, salts, chlorine, petroleum products, caustic soda and will not mold or mildew.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x6'	4'x8'	4'x10'	6'x60'

Pebble (16) Burgundy (30) Charcoal (54)

**Needle Rib**

The traditional and reliable wiper/scraper needle punch mat for moderate traffic areas. 100% polypropylene needle punch surface bonded to a premium vinyl backing. Needle Rib's total face weight is 18 oz. per sq. yard. The rough surface gently scrapes and brushes debris and moisture channeling and trapping it between the ribs. 100% polypropylene fibers are resistant to ice melt, salts, chlorine, petroleum products, caustic soda as well as mold and mildew.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x6'	4'x8'	4'x10'	6'x60'

Dust-star™

The most efficient and innovative wiper there is, Dust-Star™ contributes to improving the air quality and cleanliness of your facility! Preventive solution that will keep dirt from spreading onto your floors. Ensures better air quality than any other known entrance mats.

FEATURES

Unique microfiber/olefin blend with incredible dust retention properties
Positively charged microfibers will attract hair, lint, dust and keep them from polluting the air
Holds close to three times more liquid than our standard Rely-On™ Olefin wiper
ThermoFlex™ vinyl backing offers superior floor protection
Custom sizes are available in sizes up to 11'9" x 60".

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x10'	4'x6'	4'x8'	4'x60'
4'x10'	6'x10'		6'x60'

Oxford™

Beautifully designed, Oxford™ combines performance and appearance like no other wiper. Oxford™ is an elegant solution for a good first impression. Can be combined with our Oxford™ Elite wiper/scrapper mat for matching appearance and extreme results.

FEATURES

Heavyweight loop pile mat that exceeds the performance of similar wipers in the market
Attractive pattern hides dirt and keeps your entrances clean
ThermoFlex™ vinyl backing offers superior floor protection
High performance mat that will retain water and minimize the risk of slips and falls

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'	6'x10'	6'x60'

Superluxe

A plush, cut pile, water guzzling wiper mat. 100% fade resistant olefin carpet fused to a heavy duty vinyl backing. 16 oz. per square yard of olefin fibers is more effective than standard olefin products at drying wet footwear and removing fine dirt. Thick olefin pile soaks up 60% more water than standard olefin mats. Superluxe resists staining, fading, mold and mildew. Recommended for moderate to high traffic areas.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'		6'x60'

Available colours:

Black, Burgundy, Red, Charcoal, Evergreen, Marlin, Blue, Grey, Navy Blue, Pebble Brown, Walnut

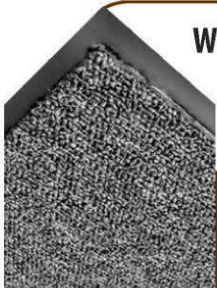

Proluxe

This durable and reliable water absorbing mat offers good economical value. 100% high quality continuous filament olefin yarn bonded to a quality vinyl backing. Quality olefin fibers resist fading, staining, mold and mildew. Medium profile will fit under most doors. Proluxe stops fine dirt and moisture at the door, keeping floors safe, dry and clean.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'		6'x60'

Available colours:

Black, Burgundy, Red, Charcoal, Evergreen, Marlin, Blue, Grey, Navy Blue, Pebble Brown, Walnut

Walk-A-Way

Attractive two-tone colours and resilient construction resist fading and crushing. Dense, fast drying fibres absorb heavy moisture and trap fine dirt particles.

Standard Sizes:			Roll Sizes:
2'x3'	3'x4'	3'x5'	3'x60'
3'x6'	3'x10'	4'x6'	4'x60'
4'x8'	4'x10'	6'x10'	6'x60'

Available colours: Green, Burgundy, Brown, Charcoal, Blue

Stock Floor Mats

These durable and reliable water absorbing mats offers good economical value. 100% high quality continuous filament olefin yarn bonded to a quality vinyl backing. Quality olefin fibers resist fading, staining, mold and mildew. Medium profile will fit under most doors. Precut sizes. Charcoal grey.

Cushion-Step

Combines anti-fatigue properties with an attractive and easy to clean surface. Puncture-resistant surface for better traction and stability. Foam PVC sponge fused to smooth attractive marble-patterned surface will match any décor. Ideal for laboratories, medical offices, pharmacies and cashier stations.

Available colours: Available colours: Black, French Grey, Tan, Brown, Blue, Grey

Standard Sizes:	Roll Sizes:
2'x3'	2'x60'
3'x5'	3'x60'
3'x12'	4'x60'

Comfort-King & Comfort King Supreme

A second-generation vinyl sponge designed and engineered to exceed the performance properties of all other vinyl sponges on the market. Exclusive Zedlan™ anti-fatigue product that combines softness, resilience and durability for exceptional relief from standing fatigue. Exceptional flexibility performance in low temperatures. Mats bevelled on 4 sides. Rolls bevelled down the length. Durable, slip resistant pebble surface lasts twice as long as standard vinyl foam pebble mats and three times as long as standard vinyl ribbed mats. Comfort-King Supreme is a full 1/2" thick with all the properties of Comfort-King™.

Standard Sizes:	Roll Sizes:
2'x3'	2'x60'
3'x5'	3'x60'
3'x12'	4'x60'

Standard Thickness: 3/8"

Supreme Thickness: 1/2"

Provides 33% more comfort

Wet Traction Matting

A vulcanized rubber mat with circular drainage holes and raised surface ribs that provide excellent traction reducing the hazards of slipping and tripping. Clean-up and handling time is less due to the mats lightweight construction. Large circular openings allow liquid and debris to drain, keeping the surface of the mat dry and not slippery. Rubber construction provides moderate relief from standing fatigue. Constructed to withstand tough industrial environments. Excellent for both wet and dry areas. Moulded bevelled edges.
