

Section 1 Product Information

Product Name/Identifier: Imperial Soap & Supplies Ltd. Heavy Duty Floor Sweeping Compound
Manufactured For: Imperial Soap & Supplies Ltd., 1518 Inkster Blvd., Winnipeg, Manitoba.
Product Use: Dust Control, Light Cleaning

Section 2 Hazardous Ingredients

Chemical Identity: Crystalline Silica	Concentration %: 0 - 1
CAS and Product Id Number: 14808-60-7	Toxicity: TWAE 0.2 mg/m ³

Section 3 Physical Data

Odour and Appearance: Pine scented, green coloured powder	Specific Gravity: Not Applicable
Boiling Point: Not Applicable	pH(Concentrate): Not Applicable
Solubility in Water (%): Insoluable	

Section 4 Fire and Explosion

Flammability: No	Means of Extinction: CO ₂ , Foam, Dry Chemical
Flash Point (°C)and Method of Determination: None	Hazardous Combustion Products: None

Section 5 Reactivity Data

Chemical Stability: Yes	Compatibility to Other Substances: No
Conditions of Reactivity: None	Hazardous Decomposition Products: CO, CO ₂

Section 6 Toxicological Properties

Effects of Overexposure	Hazard Rating	Rating System
Swallowing: Slightly Toxic	Health: 1	0 = Insignificant
Inhalation: Crystalline Silica is listed in Group 2A of the IARC Monographs "probably carcinogenic to humans", though not anticipated due to the nature of this product. Inhalation of crystalline silica can lead to silicosis.	Flamability: 0	1 = Slight
	Reactivity: 0	2 = Moderate
		3 = High
Skin Absorbtion: Not Applicable		4 = Extreme
Skin Contact: No Effect Expected		
Eye Contact: Slight Irritant	Special Warning:	None

Section 7 Preventative Measures

Personal Protective Equipment	Gloves: No	Respiratory: No	Eyes: No
Footwear: No	Clothing: No	Other: No	Leak and Spill Procedure: Sweep up spillage
Waste Disposal: Dispose of in sanitary landfill sites (garbage) in accordance with municipal, provincial and federal regulations.		Handling Procedures and Equipment: Normal handling processes, store in cool dry place	
Storage Requirements: None		Special Shipping Information: None	

Section 8 First Aid Measures

Ingestion: Drink 3-4 glasses of milk or water	Inhalation: Not Applicable
Skin: Flush with water	Eyes: Flush with water, if irritation persists, call a physician

Section 9 Preparation Information

Prepared by: A. Taylor	Telephone Number: 204-779-2362	Date: April 01, 2014
